Resolutions passed by the Malligaipuram Podu Nala Sevasangam.

Resolution. (1)	*Action taken.* (2)	*Remarks.* (3)
1 Improvements—		....
(i) to the Municipal Head Water Works, Tiruchirappalli.	(i) In August 1958, the Government have sanctioned the *investigation* of a scheme of improvements to the Municipal Head Water Works, Tiruchirappalli.	
(ii) to the distribution system of water supply in Tiruchirappalli.	(ii) The question of sanctioning the improvements to the distribution system is under consideration.	
2 Drainage scheme for Tiruchirappalli.	The matter is under consideration.	The provision in the State Second Five-Year Plan is just sufficient to meet the cost of schemes under execution. Fresh schemes can be taken up only if the Government of India, who have been addressed, agree to the enhancement of the provision in the Plan.
3 That the Tiruchirappalli Municipality should take over the Town Bus Service as well as the South Madras Electric Supply Corporation and run them with a view to find additional funds for the implementation of the requests 1 and 2.	....	(a) *Acquisition of the Town Bus Service by the Tiruchirappalli Municipality.*—Permitting a Municipality to run bus services on monopolistic basis is a question of policy and is under consideration by Government. (b) *Acquisition of the South Madras Electric Supply Corporation by the Tiruchirappalli Municipality.*—It is not permissible to allow the Municipality to purchase the undertaking as the area of operation of the concern extends beyond the territorial limits of the Municipal Council. Further the Madras State Electricity Board constituted on 1st July 1957 has been charged with the co-ordinated development of generation and distribution of power in the whole State. Hence it is not feasible to give effect to the resolution.
